## PENTECOST PICNIC

Hey Kids! Want to do something special with a small group of families? Pick a park, lake, or other picnic setting and invite each family to bring one of the following along (enough to feed everyone): Table settings, bread, sandwich fixings, chips, drinks, and dessert. Set picnic tables for dinner, pray together, and enjoy the feast. Then read Acts 2. Spend a few minutes describing what it would have been like to have been part of the very first church. Use your senses to describe different things. What might the weather have felt like? What food would you have possibly tasted? What would you have seen that day? Would there have been a certain smell? What would *tongues of fire* look like? What sounds would you have heard? Then sing a favorite church song. Pray together again. Play!
