*Education* for Life  
*Faith* for Living

Few decisions you will make in life are more significant than the ones that affect your children. As your children grow older, they will spend more time out of your care and their values and the education you choose will help shape and guide them for the rest of their lives. Many Grand Rapids area parents have discovered that Lutheran Schools provide their children with an excellent Lutheran faith-based education that delivers an eternity of benefits.

Grand Rapids Area Lutheran Schools are a part of the Lutheran Church - Missouri Synod school system which has a long history of educational excellence and presently educates over 280,000 students. Of these students, 20,000 are in 165 Early Childhood Centers, 89 Elementary Schools, and 8 High Schools of the Michigan District, Lutheran Church - Missouri Synod.
