

Strengthening the Christian family according to God's design in Holy Scripture continues to be a significant challenge in ministry. The changing values, lifestyles and priorities espoused in present-day society put tremendous pressure on individuals and families, husbands and wives as well as parents and children. Gathering Christian families around Word and Sacrament where they receive the tremendous blessings God has for His people in His Son, Jesus Christ, continues to be the goal toward which the Michigan District strives; that District congregations may be resourced for ministry so that the lives of many be blessed both now and in eternity.

Inside you will find examples of these resources available through the Michigan District office. May God richly bless your congregation's ministry to families.
