

Nomination for: The John E. Herrmann Stewardship Award

Sponsored by: The Stewardship Committee of the
Michigan District – LCMS

“The time has come to go beyond the conventional and to do the heroic, the unusual, the thing we know we should have done long before the terrific storms of the present disturbed our feathered security.”

These words by John Herrmann in his book, *The Great Steward*, illustrate what this award is all about. As a District we desire to honor and recognize those who have heeded the call to do “the heroic, the unusual” in their stewardship lives. We ask each congregation to choose one or more of their members and nominate them for this award.

Nominees for the award are to be men and women within our congregations who have demonstrated faithfulness in stewardship in two areas:

- + Support of the stewardship principles and goals of the local congregation.
- + Demonstration of a lifestyle of stewardship in the Church.

To nominate a member of your congregation, please fill out the information on the bottom of this page, **and include a one page description** of the nominee’s stewardship contributions to the local congregation. Please submit all nominations by October 15th to:

The John E. Herrmann Award
