

Some people tend to think of our campers by what they cannot do, but we like to think of our Special Friends by what they can do! We ask for your prayers and support to continue this vital ministry. Schools that donate chapel offerings for the Special Friends Camp will receive activity pages for all grade levels corresponding to the month they choose.

Please contact the District office for more information.

For more information regarding cost, dates, health requirements or to request registration materials, please contact the Michigan District office at 888.225.2111. Registration is limited, so be sure to register early to secure a spot on the roster.
